

The facts about the Pedagogic/Artistic year

Course duration	1 year (Except during the Hamburg school holidays)
Completion	Exam to become a "music teacher in the field of popular music", with HSM certificate
Start of course	1st of October every year
Content pedagogical year	The pedagogical year serves to develop and structure teaching concepts, taking into account the findings of contemporary learning and motivational psychology. The structuring and realization of own teaching units under supervision is therefore just as much a part of the teaching as the implementation of major and minor subject lessons and work shadowing at music schools.
Content Artistic year	Realization of an individual artistic project under the supervision of selected lecturers. This involves weekly lessons in a freely selectable major subject and weekly artistic supervision. In addition, the development of the project is examined in regular project presentations.
Costs	Pedagogical year: 345 € per month Artistic year: 395 € per month Combined PJ/KJ: 450 € per month (3% discount if the annual fee is paid in one lump sum)
Prerequisite	Passed final examination to become a professional musician at HSM or vocational school certificate from another vocational school for music
